27th September, 2017

TO: ALL STATE DIRECTORS SPORTS

Dear Sir/Ma

CONSTITUTION OF BADMINTON STATE ASSOCIATIONS

I am directed to inform you that the National Sports Federations Code of Governance requires all states to have a duly constituted Badminton Association Board. The state board is to be affiliated to the Federation and will be responsible for administering badminton at the state level. Also, the Federation's General Assembly is made up of the Board and two (2) delegates from each state namely, the Chairman and the Secretary of the state Badminton Association. These two delegates are to represent the state at the BFN Annual General Meeting (AGM).

Further to the above, you are please requested to forward the names of the members of your State Badminton Association if already in place. In the absence of duly constituted Board, you are please encouraged to appoint least 5 individuals to serve as members of your State Badminton Association Board, and forward their names to the Federation accordingly.

Thank you in anticipation of your expedited response to our request.

Sporting Regards.

Patience Okon
Secretary General.

BOARD MEMBERS:
